Summer Horse Camp

Come have fun, make new friends and get immersed in this wonderful world of horses at our beautiful private barn in Argyle, TX. We offer the highest quality horse camp in the area and highlighting proper horsemanship, safety and compassion.

Double L Stables provides campers with a fun and comprehensive introduction to the equestrian world both in and out of the saddle. Focusing on the hunter/jumper (English) discipline, riders learn "hunt seat", allowing them to maintain close contact with the horse through strong legs, strong core and gentle hands. Our amazing team of horses and ponies are well-mannered and love children and their jobs.

Horse Grooming, Tacking up and Barn Chores
 Campers learn the responsibilities that come with riding – from grooming their horse and tacking up to cleaning their bridle and sweeping up. They learn that hard work and respect for our animals can deepen the special bond with their horse.

Horsemanship, Education and Art
 Safety and handling, grooming, tacking up and post-ride care. Horse anatomy health and nutrition. Art fun while learning about colors, markings, etc.

The FULL Experience
 In addition to our effort to build a truly correct foundation of balance and basics in the saddle, we also deeply value correct horsemanship. While many camps have their staff groom and tack the horses, the we involve campers in the full experience of horsemanship – from haltering and leading the horse out of their stall to picking their feet and putting the girth on. Anything that might be "behind the scenes" elsewhere, the campers get to see and experience! This also means doing the "dirty work" like sweeping up, scrubbing bits, and

cleaning boots – the full experience of being a true equestrian.

All camps run from 9 AM to 12 PM and includes education, art and horsemanship. Campers must wear heeled boots, bring a snack and wear pants (no shorts allowed). Campers must be ages 6-12 Limit of 10 campers per session. Minimum of 3 campers per session. \$450 per camper per session
